CONCURRENT MANUFACTURING ANNOUNCES SALES TEAM EXPANSION

Concurrent Manufacturing Solutions is pleased to announce the addition of Ray Glynn to the sales team as Business Development Manager for the South Central US region.

Mr. Glynn will be based out of Concurrent's Brownsville Texas/Matamoros, Mexico Operation and will focus on developing the company's relationships with key accounts and seeking new business opportunities to support its rapid growth.

Ray is an experienced business development professional, with a history of sales, marketing and operational experience in the EMS field. He is an expert in all areas of supply chain in the US and internationally. The combination of his expertise and Concurrent's manufacturing capacity will offer powerful solutions for companies looking for high quality, cost effective supply solutions.

"We are delighted to welcome Ray to Concurrent; he will be a valuable addition to our growing team. With such a successful history of uncovering and closing large scale deals with technology-enabled enterprise customers, Ray is perfectly placed to spearhead our drive for continued rapid growth in the region.", says Nathan Whipple, VP Business Development.

"I am delighted to be joining Concurrent Manufacturing Solutions and am looking forward to contributing fully to the growth and success of the company. I am also looking to capitalizing on my past experience to help support Concurrent's strategy and build on the strengths of its market position", says Glynn.

About the Company

Concurrent Manufacturing Solutions LLC offers manufacturing solutions as a valued partner to OEM Manufacturers of electronic assemblies. Concurrent provides a range of production design and contract manufacturing services including cable harnesses, printed circuit boards, backplanes, metal enclosures and complete box build services, all at competitive prices with world class quality, delivery and service. Concurrent has its business headquarters in Hialeah, FL and operates facilities at locations in Florida, Missouri, Texas and Matamoros, Mexico.
